"Munster's Most Trusted Painters"

Founded in 1975 by our grandfather James Bragg,
the company has remained a family business for over 40 years.

We've grown a bit since then, but our family members remain involved
all the way through the decision process to ensure a high quality of service.

Don't take our word for it see what some of our regular customers have to say about our service.

"I can't recommend them enough, normally getting the place painted is such a chore"

"Munster's Most Trusted Painters"

Here are just some of our transformations that we've worked on.

At Bragg&Sons we pride ourselves on the craftsmanship and quality of our work.

You can rest easy knowing that we use the best materials and methods to ensure a long lasting finish.
